ABOUT US

Divine Inspirations Center for the Arts (DICA) is a performing arts program based in Woodbridge, VA, that provides girls ages 3-17 with professional dance training, enriching and impactful life lessons, and opportunities for unique cultural experiences.

DICA is supported by Divine Inspirations Inc. — a not-for-profit 501 (C)(3) organization that was established to cultivate wellness in girls by providing access to affordable performing arts and mentorship programs — with an added focus on girls who may be at risk, underprivileged, or fighting childhood obesity.

Since inception, we have impacted the lives of more than 200 girls, awarded over \$50,000 in scholarship funding, and have contributed to the community through food and clothing drives, school supply giveaways, and so much more! We are literally changing lives one dance step at a time! But we can not do it alone; we need your support to continue our efforts... to make it happen!

Sponsors increase customer and support outreach through marketing, merchandise branding, and more opportunities! See how you or your business can benefit from becoming a sponsor. All sponsorships are eligible for a tax deduction. (Methods of payment listed to the right.)
